**New Business**

Susan Hauser reported the kick off meeting for this historic survey of the township will be January 30<sup>th</sup> with our consultant, Bob Wise and the County present. Mr. Lane asked who would be on the task force from the planning commission. This will be determined at a later date. Once we have the January 30<sup>th</sup> meeting, we'll know how we will proceed forward.

Barbara Kurowski asked the status of the planning module 4A for Pennsbury Village. It is being revised by Castle Valley and will be sent back to members for signature. The Village has not submitted updated planning modules. Members also asked to confirm with the supervisors their ability to request planning assistance as needed. They would also like to have the opportunity to interview candidates for the planning commission when there are vacancies. There was some general discussion on planning issues and long range planning for the township. Ms. Howley stated the annual planning seminar will be scheduled at a later date and will check with the supervisors. The next meeting will be on January 22<sup>nd</sup> with the County to continue the update of the zoning ordinance. With no further business the meeting adjourned at 8 p.m.
